REQUEST FOR CERTIFICATE OF CORRECTION

Assistant Commissioner of Patents
Washington, D.C. 20231

Dear Sir:

APPROVED

APR 19 2002

FOR THE DIRECTOR OF USPTO

Please issue a Certificate of Correction for the above-identified patent to correct the errors listed on the accompanying PTO Form 1050. This request is being made pursuant to 35 U.S.C. § 254, because the errors comprise typographical errors by the Patent and Trademark Office. It appears as if the amendments that were entered in the record, in the form of, for example [() SEQ ID NO: 1)] which were to remove the parentheses, resulted in the PTO erroneously removing the entire phrase "SEQ ID NO:1." This error was repeated in many places in almost all claims.

No fees are believed due at this time, however, please charge any deficiencies or credit any overpayments to deposit account number 10-0435 with reference to our attorney docket number (21511/90135).

Respectfully Submitted,

Alice O. Martin
